

## Miss Cantillon's General Grading Rubric

### Quality of Work

**5 Points** - Directions are followed exactly and *taken one step further*. Work demonstrates quality above and beyond Mastery level. Work may demonstrate an application of concept being taught in a new context. Original and Creative attributes are present. Precision is present throughout.

**4 Points** - Directions are followed exactly. Work demonstrates quality at Mastery level--student(s) understand/s the concept being taught completely and learning is evident in their work. Precision is evident throughout.

**3 Points** - Directions are followed closely. Work demonstrates significant growth in the concept being taught from a previous assessment--student(s) is/are at the Improving level of performance. Persistence and a concern for Accuracy are evident throughout.

**2 Points** - Directions are partially followed. Work demonstrates that student(s) is/are grappling with the concept being taught. Student(s) are at the Discovery level of understanding. Evidence of Persistence is present throughout.

**1 Point** - Directions are not followed. Work demonstrates a static or unchanging level of understanding of the concept being taught. Student(s) does/do not show concern for Accuracy or Persistence is not evident.
